These each have a special place in my heart...Why? Because some of our very favorite people created them. *We love our friends!*

The losa...(eye-oh-sah)

Chicken, provolone, italian olive salad

✿ The DeWitt...(Duh-wit)

Balsamic portabella mushroom with provolone, tomato, organic spinach and basil

Erin's Unoriginal Sandwich

(not very original, but it's classic taste is sure to satisfy)
chicken, lettuce, tomato, vegenaise, mustard

Jayne's Chicken Jack Wrap

Chicken, pepper jack cheese, raw organic spinach and sliced tomato

✿ Veggiepalooza Wrap

Every veggie in our kitchen, tossed with your choice of dressing and your choice of cheese or hummmus.

The Gow Wrap

(rhymes with wow)

chicken, herbed cream cheese, shredded carrot, and spinach

Buffalo Chicken Under Wraps

This one was a secret for awhile, but is so yummy we had to add it to the menu.

Chicken, shredded carrot, feta cheese and hot sauce, if you love chicken wings, this is definitely the one for you!
